

THE 4

Evolving a classic BMW design. The aggressive vertical kidney grille, inspired by BMW classics, features an intricate, honeycomb mesh design. The quad headlights get a sporty new look, and the enlarged air inlets – available with the M Sport Package – add extra performance focus.

Detailed interior design. Standard Sport Seats, available with high-quality Vernasca Leather upholstery, perfectly complement the interior trim finishers Aluminium Tetragon – making driving this luxury convertible feel like a breeze.

Exclusive colors and a tailored top. With beautiful new colors like San Remo Green Metallic, available 19" BMW Individual wheels, and a retractable top designed to reduce unwanted exterior noise, the All-New BMW 4 Convertible is as striking as its silhouette implies.
