

THE M3

Lightweight construction. Aerodynamic features like the standard carbon fiber roof with aerodynamic fins lower the center of gravity for an even more agile. Standard M mirrors and side gills are designed to reduce wind resistance for enhanced performance.

Achieve next-level agility, traction, and handling on the track or during your daily commute with the standard M Sport Differential and Adaptive M Suspension. Standard M Compound brakes with black calipers provide exceptional stopping power.

Supportive sport seats. Drive in style and comfort with standard M Sport seats, featuring illuminated M badges and optimal lateral support for those challenging corners and curves.
