A top athlete that offers pure driving pleasure – channel your inner race car driver as you shift with the standard manual 6-speed transmission. Sporty driving in its purest form, selecting the gears yourself and manually engaging them compared to the automatic transmission, allows you to experience a direct, true connection to the drive of your BMW. Delivers an outstanding 460 hp peak output and the maximum torque of 550 Nm will take you 0 to 100 km/h in 4.3 s.

The all-new M2 Coupé Purist is a symphony of high-performance, aesthetics, and attitude, with M-specific enhancements that bring you next-level control. Unparalleled design inside and out push this M2 Coupe into legendary territory. Thanks to its carbon-fibre reinforced plastic (CFRP) design, the M Carbon Roof, it is 6 kg lighter than a comparable roof made of steel, optimized with fins, lowers your center of gravity for extraordinary control.

Spectacular look with maximum comfort. The M Carbon Bucket Seats do so much more than aesthetic – they provide lightweight, sustainable support for your entire drive, with easy electric adjustment. Combining the lightness and racing character of a bucket seat with the range of functions of an M sport seats. The seat is compatible with multipoint harnesses and therefore fully suitable for racing.
