Discover the wide range of innovative solutions available for the exterior, interior, communication and information as well as transportation and luggage compartment solutions. Your BMW Partner is on hand to advise you on the whole range of Original BMW Accessories and can also provide you with a special accessories catalogue. More information is also available any time at www.bmw.com/accessories

○ Available as Accessories.

- **The Pro 2.0 rear bike rack** is lightweight yet sturdy and can carry up to 60 kg. Exceptionally easy to use, it carries two bikes or e-bikes (can be extended to accommodate three bikes). Its tilt function allows easy access to the luggage compartment at all times.

- This contemporary **roof box** in Black with titanium silver side trims has a 520-litre capacity and fits all BMW roof rack systems. It can be opened from both sides and features triple central locking on each side which makes it easy to load and provides anti-theft locking.

IT DOESN'T SET LIMITS – IT EXPANDS THEM.

BACK SEAT CAN BE FOLDED DOWN FROM THE LUGGAGE COMPARTMENT II
