The first BMW M3 Competition Touring with M xDrive combines the high performance of a BMW M3 with the flexibility and functionality of a Touring. In addition to exclusive design highlights on the exterior and in the interior, the BMW M3 Touring offer a balanced range of performance, comfort and efficiency.

BMW M xDrive with Active M Differential offers high traction and driving dynamics for everyday driving, as well as at the racetrack. The exceptional BMW M xDrive system delivers AWD traction and performance with the RWD feel of a traditional sports car. The M specific technology combines the typical agility of a rear-wheel drive with the control of an all-wheel drive.

The BMW M TwinPower Turbo inline 6-cylinder features superior power delivery and the striking characteristic M engine sound. BMW M engineering levels up every drive with unmatched agility and power. The incredible 3.0-litre BMW M TwinPower Turbo inline 6-cylinder engine with 510 hp and 650 Nm the M3 Touring will take you 0 to 100km/h in 3.6 s.
