

THE X1

*Actual car specifications may vary from the picture shown above. Details for the options available, please speak to your authorized BMW dealer.

A look that embodies powerfulness. The BMW X1 arrives with a standard xLine exterior with kidney grille frame in Pearl Chrome. The all-new exterior design includes standard Adaptive LED Headlights for efficient and abundant illumination. A wider front and rear stance improves the dynamics and handling of the all-new BMW X1 – demonstrating the "sport" in Sports Activity Vehicle.

Smarter technology with more advanced screen. Modern design defines the interior, with the new BMW Wide Curved Screen Display with 10.25" Instrument Cluster and 10.7" Central Information Display, floating center console, and ergonomic controls. From the latest BMW Operating System 8 to wireless smartphone connectivity and selectable driving modes, the BMW X1 is a testament to technology. Connecting to your favorite apps simpler than ever.

Broader and bigger body. With a wider stance, longer wheelbase, and with the 18" wheels as standard, this compact utility vehicle has more presence and storage capacity than before. The BMW X1's 40/20/40 split folding rear seats provide extra storage so you can make room for all of your baggage. Enjoy the more spacious interior with the sensatec perforated as standard upholstery on the BMW X1 adding comfort and support to every drive.

THE X1.
