Sheer
Driving Pleasure

THE BOSS IS BACK.
THE ALL-NEW BMW X5.

POWERFUL AND EXPRESSIVE.

Three new designs for the exterior and interior of the all-new BMW X5 are available, enabling an astutely judged level of personalization.

xLine.

The exterior of the xLine proves that the all-new BMW X5 is at the top of its game. The visible underride protection in body color perfectly matches kidney grille bars in black with high-gloss chrome fronts. The overall effect of these design elements is completed by the high-gloss and chrome exterior Line. It is equally striking on the inside too – thanks to the exclusive Dakota leather upholstery and the Finline Pure fine-wood trim.

M Sport.

The M Sport design is testament to an all-encompassing dedication to athleticism and power: broader wheel arches, along with bumpers and sills in the body color, further emphasize the sporty attributes. The sport automatic transmission and Adaptive M suspension ensure you will notice its dynamic power. Other equipment highlights include electrically adjustable sport seats, M leather steering wheel with gearshift paddles, BMW Individual Anthracite headliner and Aluminium Hexagon interior trim.

TRUE LUXURY AND A POWERFUL PERSONALITY.

The very first moment you come face-to-face with the all-new BMW X5, your eyes will be instinctively drawn to the majestic appearance and unbeatable versatility. One important element of the optimized design is the focus on aerodynamics: large air inlets, the Air Curtain in the front apron and the newly developed Air Breather in the front wheel arches underline the sporty character of the BMW X5 – and, help to reduce fuel consumption.

At the front, the flat, wide design of the BMW kidney grille and X-shaped contour lines gives the BMW X5 an imposing athletic presence. The kidney grille and the headlights are 'combined' with each other, creating the impression of an all-in-one unit and emphasizing the vehicle's wide track.

SIT DOWN AND RISE ABOVE IT ALL

Luxurious ambience, spaciousness, and maximum comfort: immerse yourself in the interior of the all-new BMW X5 and feel the exclusiveness. While the bodywork of the BMW X5 is characterized by an imposing presence, the interior is dominated by striking elegance and clarity. The newly designed seats with top-quality materials create an unrivalled feel-good factor, no matter where you choose to sit.

All operating elements, including the new iDrive Touch Controller with the Navigation System Professional and the new free-standing Control Display are available within your reach, maximizing your focus on the road.

STANDARD EQUIPMENT.

Technical Data.	X5 xDrive35i.	X5 xDrive25d.
Transmission type	8-AT	8-AT
Cylinders / Capacity (cc)	L6/2979	L4/1995
Max output Max torque (hp/Nm)	306/400	218/450
Top speed (km/h)	235	220
Acceleration 0-100 km/h (s)	6.5	7.7
Combined fuel consumption (km/l)	11.76	17.85
CO2 emission (g/km)	199	146

The technical drawings show the following dimensions:

- Front View:** Wheelbase 1930, Track 1644, Height 1782.
- Rear View:** Wheelbase 2184, Track 1650.
- Side View:** Wheelbase 2933, Front Overlap 680, Rear Overlap 1083, Total Length 4896.
- Top View:** Shows interior layout with dimensions 1934 and 1322.

PETROL ENGINE: BMW recommends the use of RON 95 super unleaded petrol. Output and fuel consumption figures apply to RON 98 fuel. All engines comply with the EU5 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle made up of approximately one-third urban traffic and two thirds extra-urban driving (based on the distance covered).

DIESEL ENGINE: BMW recommends the use of diesel fuels in compliance with DIN EN 590 only. All diesel engines comply with the EU3 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle made up of approximately one-third urban traffic and two thirds extra-urban driving (based on the distance covered).

The equipment features and specification shown in this flyer may vary in some countries. In part, they include optional equipment and accessories not fitted as standard. According to the specific requirements of the markets, alterations in models, standard and optional equipment, as described in this flyer, may occur. For precise information please contact BMW Indonesia. Subject to change in design and equipment.
